

# Over 3/4 MILLION

## dollars in Aid to the Community over the past eight years!

100% of the Lions Club Service Areas within District 24D has needy individuals or projects within them that have received assistance from the Lions Charity Foundation. Over the past seven years, charitable products and services valued **OVER 3/4 Million** dollars were provided through the **Lions Charity Foundation of Southeastern Virginia**. Since its inception, the Foundation has supported many worthwhile initiatives, introducing hundreds of thousands of dollars worth of charitable products and services into the communities of Southeastern Virginia. Officially begun in the fall of 1980, The Foundation has proudly served the district for over thirty-six years.

The Lions Charity Foundation of Southeastern Virginia is not sitting idle! We are an active charity, nurtured by the faithful lions of the district, returning valuable products and services to district lions clubs and the communities of Southeastern Virginia.

Grants are available to your club to assist in projects and helping individuals in need. Your club is encouraged to contact **Lion Marc Van Eck**, the Lions Charity Foundation President at **757-255-2630** who will coordinate with your charity foundation zone director to help you tender these grants.

To continue providing valuable products and services such as those itemized on this page, the foundation must replenish its monetary assets. Our major fundraiser, now in its ninth year, is the **Bid 'n Buy Auction**. The upcoming auction is on Saturday, October 19, 2019 at the Bethany United Methodist Church in Hampton, Virginia. Your support of this activity is essential for the foundation to continue its charitable activities. Please consider donating an auction item or contacting **Lion Pat Kerr** at **757-291-8740** to offer your services.
